## Quilt Top Assembly

Sew the Quadrants together as shown below. Press seams open. Quilt top will measure 72 1/2" x 72 1/2".

## Finishing Your Quilt

### BACKING:

1. Cut your backing fabric in half to get (2) 81" x WOF pieces. Trim off the selvages.
2. Sew these pieces together along the long (81") sides with 1/2" seam allowance to get (1) piece.
3. The seam will run horizontally along the back of the quilt. The assembled backing will measure 81" x 83".

### BASTING AND QUILTING:

1. Lay the backing piece right side down, layer on the batting, and then place the quilt top right side up.
2. Baste and quilt as desired.
3. Trim the excess batting and backing from the edges to create a quilt that measures approximately 72 1/2" x 72 1/2".

### BINDING:

1. Join together your binding fabric strips end to end.
2. Press the binding strip in half lengthwise with the wrong sides together.
3. Line up the raw edge of the binding with the raw edge of the quilt. Sew the binding to the quilt.
4. Machine or hand stitch the other edge of the binding to the quilt to finish.
